Dear Parent/Carer,

Please find attached your child's annual report based on learning completed at school during the autumn and spring terms. This shows their attainment against **end of year expectations** for the core subjects and includes an explanation of their strengths and the next steps in their learning journey.

Your child's attainment is represented in terms of age related expectation using:

B – working **below** the national standard (*KS2 only*)

W - **working towards** the national standard

N – working at **national** standard

A – working **above** national standard

Progress (from the beginning of the academic year to the end of the spring term) has been indicated for the core subjects in the following way:

More required

Excellent

For all other national curriculum subjects, the report shows the effort and progress made by your child during the autumn and spring terms.

Children in Year 6 also have a Headteacher comment at the end of their report. This has been written by Mrs Basson, Assistant Head.

If you have any questions regarding your child's attainment or progress, please do not hesitate to contact your child's class teacher via the class email address.

I would like to take this opportunity to thank you for your support with your child's learning.

Yours faithfully
