Dear Parents and Guardians,

Your child's school is receiving a visit from a Life Education Centre mobile classroom and we would like to invite you to a session for parents. You can attend either on Friday 14<sup>th</sup> June 8:50-9:20am or Monday 17<sup>th</sup> 2:50-3:10 taking place in the Life Bus.

Life Education Centres is a charity providing a unique drug prevention programme that teaches children about the wonder of the body, how to take care of it and how drugs can affect it. The specially equipped classroom provides an unforgettable experience for the children that supports the health education work done in school.

Our Family Workbooks are ideal back up material to help you support your child by providing activities which will help you both to talk and think through together the topics we introduce in our sessions. They are fun, informative aids! . Our website explains in depth about our work with your children in our classroom, please take a look.

There is a different Family Workbook for each Year Group from Nursery to Year 6. Parents may buy these at £3 each (cash only please).

Please complete the form below to make an order, and we will give the books to the school when we visit.

Yours Sincerely,

Susan Gray, Anna Horton and Kay Parnham
