

# Ruislip Gardens Primary School

12<sup>th</sup> June 2020

Dear Year 1 Parents/Carers,

I hope you are all safe and well.

It has been lovely to welcome back just under half of our Year 1 pupils to school this week. They have settled in well with teaching being led by Miss Jenkins and Miss Virtue.

Since we sent out the original returning to school survey to parents, we have had a number of additional requests from different year groups. The Year 1 groups working in the Nursery are now full and we are unable to accept any further Year 1 pupils before the summer holidays.

We will continue to support pupils learning from home through activities on the school website and through regular contact with the Year 1 teachers.

If your child has not come back to school already, we look forward to welcoming them back in September.

Kind regards,
