

# Ruislip Gardens Primary School

11<sup>th</sup> June 2020

Dear Y2, Y3, Y4 and Y5 Parents/Carers,

I hope you are all safe and well.

I know that many of you have been wondering if your child will return to school before the summer holidays. Many of you will have seen the news on Tuesday where Gavin Williamson, the Education Secretary, announced that plans for all primary school pupils in England to return to school for a month before the summer holidays have been dropped.

Over the last 2 weeks at RGS, we have successfully welcomed back 40 Y6 pupils and 18 Y1 pupils alongside our 2 key workers pupils groups. All these children are being taught in the new building (where the reception and Y1/Y2 classrooms were) and in the Nursery and in order to maintain social distancing we can fit 11 children in each room.

Due to our ongoing roofing project the other classrooms in the school cannot be used as we cannot ventilate them properly due to the scaffolding. In addition, there are internal works now due to start at the beginning of July in some of these classrooms. Therefore, I have had to make the decision that Nursery and Reception pupils will not be able to return to school before the summer holidays. In addition, pupils in Year 2 - Year 5 will also not return until September.

Class teachers will continue to support home learning through activities on the school website, please continue to email photos/ your child's work and keep in contact via the class email.

We look forward to welcoming your child back to school in September.

Kind regards,
