London

The big questions: What is London famous for? How has London changed?			
	Bronze (1 point)	**Sliver (2 points)**	**Gold (3 points)**
English	Use 5 common exception words in sentences.	Write a letter to your teacher to tell her about your weekend.	What adventures would Paddington have if he went to Antarctica? Who might he meet? What would he eat? Write a short story.
Maths	Create a poster to represent one number between 1-20 in different ways.	Choose 8 two digit numbers and partition them in different ways. E.g 16 = 10 + 6 16 = 11 + 5 16 = 8 + 8	Learn your 2 times table off by heart, so that you can answer questions quickly and out of order.
Science	Draw a picture of a suitcase and the items you would take on holiday to stay clean and healthy. E.g toothpaste, clean socks…	Design a plate of healthy food. Label the foods. Explain why we need to eat them.	Make a board game about living a healthy lifestyle. You could include things about diet, hygiene, exercise, sleep etc
History Geography	Keep a weather diary for a week. Things to include could be; rain, sunshine, cloudy sky and temperature.	Create a list of 7 questions you would ask the Queen about what it is like to live in Buckingham Palace.	Visit the London Transport Museum. Research the job of a London bus driver and how it has changed over the last hundred years. Present your research as an information poster titled: London Buses - Past to Present
Art/Design Technology	Design a train for the future. What will be the same as trains now? What will be different?	Draw or paint a picture of how you think Elizabeth Tower (Big Ben) will look when it is uncovered. Can you label it too?	Make a 3D model of a London landmark.
Personal, Social and Emotional Development	How have you been responsible this week at home or school? Draw a picture and write a sentence to explain what you did.	Do one responsible thing each day for a week. Ask an adult to write what you did. How did it make them feel?	Make up a song or rap about responsibility. Can you add suitable actions? Perform it to your class.
